Santhiya Resort and Spa wins award for luxury

The Santhiya Resort & Spa in Koh Pha-ngan has been announced as the overall winner of the luxury Spa Hotel category in the World Luxury Hotel Awards 2009.

The resort is located on the north-eastern tip of Koh Pha-ngan, Thailand and has recently had some new hotel rooms built.

The rooms were designed by CVS Thai Modern Hom and are 48sqm. They feature internet access, mini bar, DVD player and satellite TV.

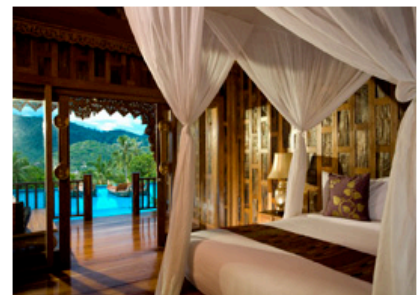

The hotel is set in tropical gardens on a hillside which overlooks the bay. The rooms feature private verandas to enjoy the view.

Most have direct access to the infinity pool, which feature hand-crafted floating sunbeds designed in the style of traditional Thai boats.

The new 'Santhiya Supreme Deluxe' rooms have been designed in keeping with the resorts traditional Thai style, featuring intricately carved wood, rich fabrics and handcrafted furnishings to create an authentic ambience. All accommodation is constructed using natural materials.
